

Bonusprogram

Benefit from our bonus program and use the points to have a free account.

Our Bonus Program is straightforward. Recommend our services to your business partners, friends and colleagues and you will receive bonus points to pay for your account.

For any new account recommended by you, you will receive the following bonus points:

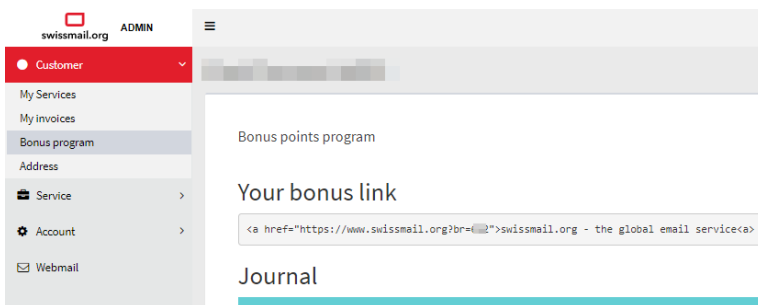

Basic Account:	2 points
Standard Account:	4 points
Professional Account:	6 points

You will need to accumulate the following amount of bonus points to pay for your yearly account fee:

Basic Account:	10 points
Standard Account:	20 points
Professional Account:	30 points

Let's say you have a Standard Account: So only five successful recommendations for a Standard Account within one year are needed and your account is free.

Question	Answer
How can I recommend your service to collect bonus points?	<p>The most successful way to recommend our services is of course to talk about us with your business partners, friends and colleagues. As soon as your email address is provided during the order process you will be registered for the bonus program.</p> <p>Additionally using the personal bonus link may increase your bonus balance dramatically.</p> <p>Use your homepage to collect bonus points Place the personal bonus link on your homepage. Any visitor who clicks on the link will be assigned to your bonus balance. As soon as he subscribes and pays for a new account the bonus points will be credited to your bonus balance.</p> <p>Make recommendations with any email you sent out Place the personal bonus link into your email signature. Any recipient who clicks on the link will be assigned to your bonus balance. As soon as he subscribes and pays for a new account the bonus points will be credited to your bonus balance.</p> <p>Use your online communities like Facebook, Twitter, Instagramm Put your personal bonus link on your profile within your community and talk about it. Any friend or member who clicks on the link will be assigned to your bonus balance.</p>
How and when will I be credited with bonus points?	<p>To be able to credit you with such bonus points, the potential customers recommended by you must quote you as reference when opening the account. Place our link on your website and in your email signature (click here to get the link) and each registration using the link will be credited to your account. Or tell your friends to quote your email address under "Referral Bonus Program" on the registration form. As soon as we receive payment of these accounts recommended by you, we will credit your account automatically.</p>
How and when can I pay my yearly fee with bonus points?	<p>The payment with points happens automatically. As soon as your yearly fee is due, the balance of your bonus points is checked. If, at the date of invoicing, there are sufficient points on the account, we will apply the points and forfeit the current yearly fee.</p>

Can I also apply my bonus points towards SMS or fax forwarding?	<p>Yes, if you have a Professional Account you can credit your bonus points as stated below to your forwarding balance. All you have to do is to advise us accordingly (please use the support link to submit such instructions).</p> <p>For your information: 1 point equals 10 SMS or 2 fax forwardings.</p>
Where can I check my current bonus point balance?	You will find your current balance in the ControlCenter under "AccountData".

To the fine print:

Bonus points can not be transferred to another account.

It is not possible to use bonus points for partial payment of the yearly fee. However please note that unused bonus points will be carried forward and do not expire.
